We are DVS Filtertechniek

The specialist in pond filtration technology

DVS Filtertechniek develops and supplies high-quality filtration systems for every application. By combining craftsmanship with smart engineering, we create reliable solutions for clear and healthy water – sustainable and efficient.

This price list is the 2026 Price List and is valid from 1 September 2026.

All prices mentioned are recommended retail prices excluding VAT and transport.

From this year onward, our filters come standard with:

- WiFi control unit (except for ENTRY and ECO models)
- 120µ filterscreens

New website & dealer portal

Orders can be placed from 1 January 2026 via the dealer portal on our updated website, or by e-mail at: order@dvs-filtertechniek.com

Do you have a question? We are happy to assist you!
